Sight Word Bingo

A Fun Way to Master Early Reading Words

Sight Word Game 1

Parent Instructions for Sight Word Bingo Workbook

How to Play:

Cut out the word cards at the back of the workbook. Mix them up and place them face down in a pile.

Give each child (or team) a Bingo card. There are 12 unique cards to choose from.

Use the branded color cards for a fun, engaging look.

Use the plain cards for easier printing and low-ink use.

Take turns drawing a word card from the pile and reading it out loud.

Players look for the word on their Bingo card. If they have it, they place the card on top of that square.

The first child to cover a full row, column, or diagonal calls out “Bingo!”

Keep playing until multiple players get Bingo or until the entire card is filled.

Tips for Parents & Teachers:

Encourage children to say the word out loud each time they place a card. Review tricky words after the game for extra reinforcement.

For longer play, reshuffle the cards and start again!

This fun, hands-on game builds recognition, listening, and quick recall of essential sight words—perfect for practice at home, in small groups, or in the classroom.
